

Tariq Waseem

Web3 Business Development Representative | GTM Strategy | Protocol Growth | Account Research

Atlanta, GA | (770) 861-0301 | tariqawaseem@gmail.com | tariqw.eth

PROFILE

Business Development and GTM operator with 8+ years across DeFi, protocol growth, partnerships, education, and community-led acquisition. Proven track record in outbound prospecting, account mapping, technical buyer messaging, and Web3-native relationship building.

SELECTED IMPACT

- Helped drive \$5M+ in assets and \$3M in active loans to 40Acres Finance through a 200k OP grant, targeted marketing to high net worth individuals & funds, as well as retail facing activations.
- Led design, branding, and marketing execution for 40Acres, including a full brand refresh and clearer institutional DeFi credit positioning.
- Organized student-led web3 events reaching 1,000+ students and 50+ blockchain clubs across the Southeast.
- Collaborated with teams at Monad, Midas, Pendle, HydrexFi, Autopilot, Aerostrategy, Levva, and Aerodrome.

EXPERIENCE

40Acres Finance | GTM, Growth & Marketing Lead | Atlanta, GA

Nov 2025 - May 2026

- Drove \$5M+ in assets through OP grant campaigns, partner education, and user activation.
- Led OP grants GTM strategy across borrower/lender messaging, communications, and weekly updates
- Identified and mapped target accounts across protocols, asset issuers, vault curators, and onboarded new revenue generating collateral types to 40acres.
- Rebuilt the brand system, positioning, visual identity, and product story for institutional DeFi credit.
- Wrote outreach, launch copy, tutorials, social campaigns, and technical explainers for buyer education.
- Supported integration and collateral campaigns across routing venues, ve(3,3) assets, and partner ecosystems.

Revest Finance | Community Manager / Business Development | Atlanta, GA

Jan 2023 - Sept 2023

- Owned community and investor education across Revest and Resonate products.
- Expanded ecosystem visibility in collaboration with Frax Finance and GMX
- Translated vaults, yield, and structured-finance concepts into clear user and partner messaging.

Atlanta Blockchain Center | Co-founder & Chief Community Officer | Atlanta, GA

May 2022 - Oct 2022

- Incubated 2 startups and helped them raise a combined \$1M in pre-seed capital across AI & Infrastructure sectors.
- Managed socials, community, support, events, coworking operations, and business development.
- Cultivated relationships with local teams at BitPay, Dapper Labs, CleanSpark, Coinbase Ventures, and Ledger.
